

# POSTDOCTORAL HEALTH SERVICES RESEARCH FELLOWSHIP

## OVERVIEW

The Denver/Seattle Center of Innovation (COIN) for Veteran-Centered and Value-Driven Care, located in Denver, Colorado is seeking enthusiastic and innovative applicants for our PhD Postdoctoral Fellowships in Health Services Research (HSR).

The two-year HSR Fellowship Program provides novice PhD researchers the training and support to apply their research and complete publishable research projects.

The Denver COIN seeks both clinical and non-clinical PhD level researchers who have interest areas that critically position them to impact and improve Veterans' Health. The HSR Fellowship emphasizes education, research, and mentorship, and allows Fellows to hone skills in a variety of areas.
