

VA Advanced Fellowship Health Systems Research For Physicians - Denver, CO

OVERVIEW

The Denver/Seattle Center of Innovation (COIN) for Veteran-Centered and Value-Driven Care, located in Denver, Colorado, is seeking enthusiastic and innovative physician applicants for a Postdoctoral Fellowship in Health Systems Research (HSR).

The two-year HSR Fellowship Program provides research training to physician researchers who have interest areas that position them to improve Veterans health. The Fellowship works closely with AcademyHealth as a national coordinating center to provide high-quality training and curriculum focused on Learning Health Systems core competencies.

The HSR Fellowship emphasizes education, research, and mentorship. Physician Fellows devote 75% of their time to health systems research, and/or education activities, and spend the remaining 25% providing clinical care.

**ROLLING APPLICATION STARTING NOVEMBER 1
FELLOWSHIP TO BEGIN July – September**
